

PSYCHORAMA

SATURDAY 9 P.M. TO 10:30

- BEGIN: Foam reservoir on deflated dome; tubing already laid beneath.
- 1st Bather enters pool and takes a bubble bath.
 - 2nd Coloured tubing is inflated out of reservoir (then being sucked out).
 3. Transparent tubing emerges and is filled with smoke
Bather crawls out.
 - 4th Dome inflates and foam runs down the sides.
 - 5th Dia projectors and light show equipment taken into dome.
 - 6th Dome washed. Dials start onto expanding balloon in centre of dome.
 - 7th When balloon fully inflated it is powdered and then burst.
 - 8th Dials and light show continue onto interior surface of dome.
 - 9th One carousel removed. One exterior projection starts there and colour bombs thrown at that area.
 - 10th Ditto second carousel, second exterior projection and colour bombs.
 - 11th Ditto third carousel, third exterior projection and colour bombs.
 - 12th Dome now covered with paint inside. Full exterior light show.
 - 13th Six guys in pairs move in front of the three projections and communicate using powder, paint, feathers, tubing, smoke, lights, etc.
 - 14th Simultaneously with 13. technician lays orange tubing around dome.
 - 15th Simultaneously with 13. and 14. technician inside dome sprays off colour and hangs paper (ie newspaper).
 - 16th Communication sequence now exhausted, the figures collapse and are covered with black crepe paper.
 17. Overlapping with 16. flash paths to dome and interior flare.
 18. Orange smoke pumped in as flare ends.
 19. Dome starts to deflate.
 20. Orange tubing around dome is inflated with smoke, extends to audience.

SUNDAY 11 P.M. TO 12:30 P.M.

- BEGIN: Paper covered dome as left from afternoon performance.
- 1st Inflation of tubing with smoke from under paper on the outside of dome (tubing breaks through paper, peels off and onto ground).
 - 2nd Wash dome clean.
 - 3rd Revelation of dome filled with white balloons. Girls stand among these balloons covered with coloured balloons.
 4. Girls stir balloons around them, explode some and throw the others out through the door into the crowd.
 - 5th Only balloon girls left.
 6. Overlapping with 4th and 5. people run around dome throwing streamers over it.
 7. Same people then throw confetti over the dome.
 8. Overlapping with 6. and 7. girls in dome bump against each other, exploding each others balloons.
 9. Overlapping with 8. technicians bow to dome.
 10. Almost naked girls press against dome skin. Technicians clear outside surface of dome and squirt colored liquids where the girls are.
 - 11th When this has been done all around the dome, a technician enters with foam machine. Squirts at girls onto walls of dome.
 12. At the same time technicians outside whip the dome.
 13. At the same time there is pyrotechnic action outside (flares etc.).
 14. Whipping and pyrotechnic action stops when foam action ends.
 15. Girls leave dome.
 16. As foam drips, tubing laid in dome.
 17. Dome washed.
 18. Tubing inflated inside.
 19. Tubing extends through door into crowd.
 20. Extention cut.
 - 21st Dome deflates into dry ice mist. END
